

**Neighbors by Ring**  
**Memorandum of Understanding**

This agreement is entered into this 2 day of April, 2019 by and between Ring LLC ("Ring") and University Park Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make University Park's ("City") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
  - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
  - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

**Ring**

- Make the Neighbors App available to City residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

**Agency**

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

**Press Release**

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

**Term**

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

**Privacy and Terms of Use**

Ring will not provide any customer personal information, including video footage, to Agency without the prior

Good morning,

You've received invitations to create accounts for Portal. Please create your accounts and browse Portal to re-familiarize yourself with the website. I've attached a training guide PDF to provide additional details.

Once Officer Snellgrove formulates the announcement details, my team will release an in-app alert to the University Park community on the Neighbors app, and then UPPD can begin using Portal!

Best,

Sami
